Letter from Khan Bahadur J.Hussain, Bar-at-law, Collector of South Kanara, Ref.C.No. 9281-31-A6 dated the 26th November 1931

S.No.493/4A of Shirwa village is the Shirwa-Kaup Road classed as assessed dry in the Revenue accounts. A portion of it sub divided as S.No.493/4B measuring 4 cents in extent has been walled in on the south, with a fence over it and added on to S.No. 493/7 the hosagme holding of the Church. The wall is reported to be about 10 years old and the fence over it is

said to be about 3 or 4 years old. The plot is being used as a burial ground for those Catholics who die of accidental deaths or suicide and who cannot be buried within the cemetery proper attached to the church. Two or three such dead bodies are said to have been buried in the eastern corner of the plot. The Tahsildar of Udipi reports that the removal of the Southern wall will expose the place where the dead bodies have been buried and that this will wound the religious feelings of the Catholic congregation of the Church.

2. The distance from the centre of the Shirwa-Kaup road to the south-eastern corner of the plot is 20 links and that to the south western corner is 40 links. The Taluk Board, Udipi in whom the road vests has no objection to the assignment of the plot. This plot is said to be similarly situated as S.No.314/C1 regarding its proximity to the road and the enclosure put up for this plot is in a line with that plot which was assigned to the Parish Union of the Diocese of Mangalore in 1929 under the sanction accorded in G.O.No.Mis.593 Revenue, dated 21st March 1929 communicated in B.P.Rt. No.2160 dated 26th March 1929.

3. The Vicar of the Shirwa Church states that the plot may be assigned in the name of the Parish Union of the Diocese of Mangalore and the Secretary of the Parish Union has no objection to it.

4. I therefore recommend that the Board may be pleased to move the Government for the requisite sanction for the assignment of S.No. 493/4B of Shirwa village measuring 2 cents in the name of the Parish Union of the Diocese of Mangalore.

5. The Parish Union owns 5 cents of garden in Shirwa village. The extent of land already owned by the Parish Union in this district is about 56 acres 59 cents and its approximate market value is Rs.3120.

II

Board's reference thereon No. B 6574--31-1 dated the 8th December 31:-

The Collector is requested to report whether the land in question should not be alienated for use as a burial ground in favour of the applicant under B.S.O.24 instead of assigning it under B.S.O.15.

III

Letter from Khan Bahadur J.Hussain, Bar-at-law, Collector of South Kanara, No.R.O.C.9281-31-A6 dated the 20th December 1931:-

The adjoining plots S.Nos. 313/6, 314/A, 314/C1, 316/1, 316/3 and 493/7 were all assigned to the church and are being utilised for the various purposes of the church. Hence this encroachment of 2 cents in S.No.493/4B by the church, added on to S.No. 493/7, the holding of the church, by a mud wall and a fence was recommended for assignment under B.S.O No.15.
